- US District Court for the Western District of New York

Biography

Ari advises clients on zoning, land use permitting, environmental review, and the regulatory compliance process. He also has experience in litigation, including multiple lawsuits on behalf of municipalities under the Real Property Actions and Proceedings Law Vacant and Abandoned (Zombie) Home provisions, and advocating for real estate developers in breach of contract lawsuits.

Bar Associations

- Bar Association of Erie County

Representative Experience

- Obtained a SEQRA negative declaration, rezoning, and site plan approvals for a multi-family housing development, including coordination with neighborhood stakeholders to build consensus.
- Obtained a site plan approval and temporary conditional permit for a kennel and dog daycare facility.
- Successfully defended an Article 78 proceeding challenging the zoning board's interpretation appeal regarding the permissibility of a code blue shelter in the downtown district of a town in Fulton County, New York.
- Successfully prosecuted hundreds of mobile home park evictions for a national real estate investment trust (REIT).
- Prepared a Condominium Offering Plan for a newly constructed condominium and related amendments.
- Prepared a Cooperative Policy Statement #7 (CPS-7) for a newly constructed patio home development.

- Successfully prosecuted an Article 78 proceeding, annulling area variances and site plan approval for the abutting commercial development.
- Successfully negotiated a favorable outcome for a multifamily housing developer amidst a final administrative penalty order by the United States Army Corps of Engineers.
- Obtained a special use permit for used car sales on behalf of a business in Tonawanda, New York.
- Obtained a special use permit and manufacturing license for a brewery, including a branch office permit for the on-premise restaurant.
- Defended a municipality in a plenary action seeking to annul a land use moratorium, obtaining a pre-answer motion to dismiss.
- Obtained a change-of-use permit to authorize a cigar bar membership association.
- Conducted acquisition due diligence for renewable energy assets focusing on local permitting.
- Represented a municipality in the development of two 5 MW community solar facilities on municipal-owned land in an adjoining municipality.
- Obtained a SEQRA negative declaration, multiple area variances, and site plan approval for a mixed-use multi-family housing development amidst community opposition in a traditionally rural area.
- Obtained a SEQRA negative declaration and site plan approval for a 150 MW battery energy storage facility, the first of its kind in Western New York.
- Obtained a SEQRA negative declaration and municipal approvals for a 5 MW community solar facility.
- Prosecuted an Article 78 proceeding to annul a denial of use variances to accommodate a 5 MW community solar facility and access road, including a successful appeal before the Appellate Division, Third Department.
- Obtained municipal entitlements for a 5 MW community solar facility, including wetland permitting from the United States Army Corps of Engineers.
