Biography

Rafi is a lawyer and strategic advisor with a wealth of experience working at the highest levels of business, government, law, and politics. He employs his skills in legal representation, strategic and operational consulting and planning, relationship building, fundraising, public affairs, politics, and business development to provide firm clients with strategic guidance on key issues relevant to their businesses.

Rafi has a wealth of experience spanning federal, state, and local politics in the New York tri-state area and across the country. With over 10 years in influential roles within political circles, he offers clients a unique network and valuable perspectives.

Rafi formerly worked in the Appellate Division of the Cook County State's Attorney's Office and practiced as a litigation associate at a mid-sized national firm.
